

AUCKLAND A&P ART NEWS

Art Showcase Edmund Hillary

Members of the Auckland Agricultural & Pastoral Association are once again invited to exhibit in the annual Edmund Hillary Art Exhibition. If you are not already a member, please contact the office for a membership form.

Please be advised that due to the popularity of this exhibition we are limiting entries to 450. Once we have reached that number, entries will close.

For further information please call John Towers 021 524400 or email j.andme@xtra.co.nz \ Gailene Marsden jgmarsden@xtra.co.nz

On behalf of the Auckland A&P Art Committee and The Bartizans.

Anita Madhav

Artist

Welcome to my art world.....I'm a self-taught artist and have been creating art since my childhood. My creative flair reflects my personal style that has varied over the years portraying my vision art. I work as a full-time artist from my Home Studio- The Art Box.

I have a mix of media preferences, including, acrylics, moulding paste, textured papers and oil. I am always experimenting with different techniques and styles to discover new ways of expressing my ideas in art form. My inspiration started with NZ landscapes, modern design and colours and my interpretation of NZ culture, native and common flora and fauna with a dominant Kiwiana presence.

Even though I've been painting for the past 20 years, common birds have become a highlight of my work and hydrangeas and florals have become more recent.

I continue to be involved in numerous group and solo exhibitions around the country and my art is sold around NZ in selected galleries.

I live in rural Manukau and absolutely enjoy living in a beautiful picturesque environment of rolling hills and my garden- another piece of art I've created with my family.

When I'm not painting, I supply my prints, greeting cards, acrylic photo blocks and other gift products to many stores around NZ. One of my main gallery/ gift stores being the former Artport at the International Airport which enabled my works to make their way around the world.

Creating art is my form of relaxation, with every stroke of my brush, the continuing skills I learn along the way and the vibrance of colours, I bring heartfelt satisfaction to myself and the purchaser of my art.

My details are available at:
